physical rehab -
Tungngasuttitaq

Our Objectives

For Nunavimmiut to have the information they need:

- to navigate the physical rehabilitation services in Montreal;
- to enable them to make decisions about their healthcare on a more equal grounding.

Collaborating:

- NRBHSS
- Inuulitsivik Health Center
- Ullivik
- CIUSSS West-Central & South-Central
- UQAM, McGill University, Université de Montréal

Our Actions

To better prepare Nunavimmiut for their travel South for physical rehabilitation services*:

- Produce an educational video in Inuktitut, English and French;
- Have visuals of lived experiences to present the inner workings of physical rehabilitation services.

*e.g., physiotherapy, occupational therapy, speech therapy, audiology services, technical aids, & more
